

YOGESH BORANA

ENGINEERING STUDENT

ABOUT ME

I am an undergraduate student at Thakur College of Engineering and Technology with robust participation in extracurricular activities. I've successfully taken on leadership roles, excelling in sports such as football and chess, while also achieving recognition in academic presentations. My dynamic skill set includes management and digital marketing, with a keen interest in learning and creativity

EXPERIENCE

Technical Head
National Service Scheme
Managed and maintained the NSS website, ensuring regular updates
Led a small team and ensured timely completion of assigned tasks

Discipline Volunteer
TCET - TSDW
Assisted in maintaining discipline and smooth execution of events
Coordinated with team members to manage crowd flow and event activities
Ensured a safe and organized environment throughout the event

KEY ACHIEVEMENTS
